In compliance with your request for information on

Vladimir [redacted]
Born 6 January 1920 in [redacted]

and his wife

Maria [redacted]
Born 1 January 1920 in [redacted]

contained in Reference, we have received the following from [redacted]:

[redacted] was in contact with the [redacted]'s during 1951 and 1952. Since the material reported by [redacted] during this period proved to be mostly out-dated or fabricated, the contact was dropped.

In the years from 1953 to 1958 the suspicion was repeatedly expressed within Czech emigre circles that the [redacted]'s were in contact with the CIC. Among other things, Frau [redacted] was believed to have taken trips to the CSR via Vienna. Concrete evidence to support this contention could, however, not be produced.
